**51st Annual
Convention - 2022**

in

ANDHRA PRADESH

*When You Save Water,
It Saves You Back,*

We Reuse. We Reduce. We Recycle.

CIRCULAR-1

Ref : No.8/SISSTA/51st A.C./2022/001

Date: 06.06.2022

Dear Members,

SISSTA – 51st ANNUAL CONVENTION, 2022

Season's Greetings! We are happy to inform you that the **51st Annual Convention of SISSTA** will be held tentatively in the month of **August, 2022 in Andhra Pradesh**. The exact date, venue etc., will be communicated to you in due course.

You are aware that the sugar industry is making rapid strides in the recent past in all the areas of operation. In order to create a common platform for easy exchange of views, experiences and information, among the technologists and factories, SISSTA is organizing seminars and conventions. The deliberations / discussions held are of immense use to the industry. The technical papers published are of high standard and well received by the technocrats.

1. Members and suppliers are requested to share their ideas and experiences in the form of "Technical Papers" to be published in the convention proceedings and presented during the convention for the benefit of other members on the following subjects as per the **guidelines attached**. Authors are requested to send their papers with supporting data **along with their passport size photo** to reach SISSTA office on or **before 15.07.2022** positively along with **soft copy in word format by e-mail to sissta68@gmail.com**.

- Sugarcane** - Sugarcane agriculture including soil health varieties, plantation, plant protection cultivation, harvesting & transportation etc. Any other associated topics.
- Sugar Engineering** - Cane handling & cane processing – diffusion, co-generation, conservation of steam, power, water, man power with automation & latest technology in addition to role of solar, wind energy, etc. in sugar industry. Any other associated topics.
- Sugar Processing** - Topics related to right from processing of juice in to white sugar, raw sugar, sulphurless sugar, refined sugar, alcohol & storage of sugar and molasses. Environmental & pollution control systems. Other modern technologies.
- By-Products** - Distilleries, utilization of bio energy, incineration boiler, other associated by-product industries & manufacturing processes. Environmental & pollution control systems. Other modern technologies.
- Management, general administration, H.R. and finance** - Topics including scientific method of fixation of cane price, cost of conversion to sugar, fixation of labour strength, manpower reduction, safety measures in sugar industry, etc.

2. The proposed delegation fee pattern is as follows. It may please be paid by DD/at par Cheque drawn in favour of "**The South Indian Sugarcane & Sugar Technologists' Association**" payable at "**Chennai**" or through NEFT. Spot registration can also be done at the registration counter of the venue.

Particulars	Early Bird Registration with payment before 15.07.2022	Spot Registration
Life Members	Rs. 2,500/-	Rs. 3,000/-
Non – Members	Rs. 3,000/-	Rs. 3,500/-
Senior Citizen	Rs. 1,800/-	Rs. 1,800/-
Spouse	Rs. 1,800/-	Rs. 1,800/-
Child	Rs. 1,000/-	Rs. 1,000/-

The above delegation fee is inclusive of GST 18%

This is advance intimation to all members with a request to plan and attend the convention. Sugar Factory managements and Research Institutes are requested to depute maximum number of their technical staff to participate, deliberate and make the convention a grand success.

Thanking You,

Sd/-
(R. NANDA KUMAR)
President
